## EXPERIENCE

### Starbucks, Santa Clarita CA — *Shift Supervisor*

Jan. 2016 - PRESENT

#### Business role

- Keep inventory within optimal levels and organized for easy use.
- Secured monies against loss, keeping drawer cash low and properly using on-site safe.
- Kept operations smooth and professional with consistent opening, closing, and shift change task lists.
- Responsible for deploying partners and delegating tasks so that partners can create and maintain the Starbucks experience for our customers
- Develop's positive relationships with the team by understanding and addressing individual's motivation, needs, and concerns
- Recognize and reinforce individual and team accomplishments by using existing organizational tools and by collaborating with the store manager to find new, creative, and effective methods of recognition.

### Golden Atlas Realty, Santa Clarita CA — *Realtor*

Sep. 2019 - Aug. 2021

- Researched and advised clients on low-investment options with high sales potential to move properties quickly.
- Gathered client information concerning their desired features in a home, financial ability, home types and neighborhoods of interest
- Prepared representation contracts, purchase agreements, and closing statements.
- Negotiated contracts, obtained favorable terms for clients, and smoothened property transactions.
- Used face-to-face, traditional marketing, and online strategies to connect buyers and sellers.
